

# ARENA DUST-B -GONE

2865 Gundry Ave. Signal Hill, CA 90806 Phone: (562) 595-7208 Fax: (562) 426-5294

## MATERIAL SAFETY DATA SHEET

July 2006

### SECTION 1 - PRODUCT & COMPANY INFORMATION

Product Name: Arena Dust-B-Gone  
HMIS hazard rating: Health - 0, Fire - 0, Reactivity - 0, PPI -0  
Chemical Name: Biosurfactant *w/surfactants*  
Formula: Proprietary

### SECTION 2 – COMPOSITION INFORMATION ON INGREDIENTS

<u>MATERIALS</u>	<u>CAS NUMBER</u>	<u>PERCENT</u>
Water	7732-18-5	>50.00
Proprietary Additives	Trade Secret	>25.00
Nonoxylphenol Ethoxylate	127087-87-0	<10.00
Polyethylene glycol (mw.)	25322-68-3	<10.00
Secondary Alcohol Ethoxylate	84133-50-6	< 5.00
Unreacted Alcohol	67989-40-6	< 5.00

OCCUPATIONAL EXPOSURE LIMITS:  
None established by OSHA or ACGIH

### SECTION 3 – PHYSICAL DATA (Determined on Typical Material)

Form: Liquid  
Appearance/Color: Varies with blended pigment  
Odor: Slightly mild, May have added fragrance  
Solubility in Water: Complete. Solution is water based material  
pH value: 6.8  
Boiling Point (ay 760 mmHg): 233 degrees Fahrenheit  
Vapor Pressure (mmHg): Mutually exclusive  
Freezing Point: Approximately -6.7degrees Celsius (20 degrees Fahrenheit)  
Evaporation Point: Mutually exclusive  
Vapor Density: N/A  
Density: 1.01  
Molecular Weight: Mixture

### SECTION 4 – FIRE AND EXPLOSIVE HAZARD DATA

Flash Point: None  
Explosive Range: N/A  
Special fire fighting procedures: None  
Extinguishing media: Non-flammable  
Unusual fire and explosion Hazards: None

### SECTION 5 – HEALTH HAZARDS DATA

#### EFFECTS OF SINGLE EXPOSURE & REPEATED OVEREXPOSURE

Swallowing:  
Skin Absorption: No evidence of harmful effects from available information  
Inhalation: Remove victim to fresh air. No emergency care anticipated. If Condition persists, seek medical attention.  
Skin Contact: Wash skin with soap and water. Prolonged use of product may result in dry skin. For overexposure, use gloves to avoid aggravated conditions. If irritation persists, consult physician.  
Eye Contact: Immediately flush eyes with plenty of water for at least 10 minutes. If irritation persists, seek medical attention.

OTHER EFFECTS OF OVEREXPOSURE ARE NOT CURRENTLY KNOWN.

#### NOTES TO PHYSICIAN:

There is no specific antidote. Treatment of overexposure should be directed at the control of symptoms and the clinical conditions of the patient.
